MELANOMA AWARENESS FOUNDATION

Dear Courtney

The Matt Saleeba Melanoma Awareness Foundation would like to thank you for your valuable support of the 2007 MATT Golf Day.

The 2007 event raised almost \$40,000 which (less expenses) will be used to raise awareness and help guard against this insidious and preventable disease. This was achievable because of your generous support.

As the event in its infancy and growing each year, we would welcome your feedback as to how we can increase value to sponsors.

Currently the sponsors board and take home gift bags are used to make guests comfortable on the day and reinforce sponsors products and services post the event. Correspondence thanking guests for their participation will also act as a further reminder about your business.

We wish you a successful 2008 and look forward to discussing your involvement in this year's event.

Yours sincerely

Melissa Saleeba
President
